

The Rural Municipality of Oakview
Request for Quote
Demolishing of Building and Levelling of Site

The Rural Municipality of Oakview is requesting quotes for the demolition and removal of the building, foundation, and any contents and levelling of the site. The building (former recycling building) is located on Lot 16, Block 6, Plan A (485-2nd Ave.) All demolition debris, building contents, and any cement must be taken to the Oakview landfill site located on the NW 1/4 of 20-13-19W and placed in appropriate areas of the site (concrete; bricks; wood; metal; and household wastes should be separated as much as possible). All concrete must be removed from the site and the water line and sewer line (if any) need to be adequately capped by the successful bidder. Clay fill must be brought in to bring the site up to ground level which includes at least 6 inches of gravel placed on the top. The demolition permit will be obtained by the R. M. of Oakview but any other permits required will be the responsibility of the successful bidder. Worker's Compensation number is to be included with tender as well as proof that Workplace Safety and Health Standards are being met. Please indicate on tender what equipment will be used for the project.

Work to be completed by **June 23rd, 2017**.

Proposals, properly marked, will be received by the undersigned until 10 a.m. on **Tuesday, May 2nd, 2017**. Lowest or any quote not necessarily accepted. Please contact the Oakview municipal office at 204-566-2146 for more information.
