

**R. M. of Oakview
Gravel Crushing Request for Proposals For 2020**

The R. M. of Oakview invites tenders for crushing approximately 40,000 yards of 100% passing 1 inch traffic gravel for Oakview municipal roads. The R.M. of Oakview is requesting that the enclosed "Gravel Crushing Form for 2020" be used. The form allows for separate tenders for each of the pits as well as an amount that may be charged if the contractor was awarded the crushing in all three pits. Crushing locations and quantities are as follows:

- 1) 10,000 cubic yards at the Christie Pit located at NE 27-13-19 to be done before the June 1st, 2020. A minimum of 6" and down rock is required to be crushed at this pit.
- 2) 15,000 cubic yards at the McIntyre Pit at NE 31-17-21 in the R. M. of Yellowhead, before June 30th, 2020. A minimum of 6" and down rock is required to be crushed at this pit.
- 3) 15,000 cubic yards in the Krahn Pit at SW 30-12-20 in the R. M. of Riverdale to be done before July 15th, 2020. A quote to crush a minimum of 6" and down; 8" and down; 10" and down; and 12" and down is requested for the Krahn Pit. Preference may be given to the contractor who can crush rock 12" and down at this pit as there are larger rocks in the Krahn Pit.

Worker's Compensation number is to be included with the tender as well as proof that Workplace Safety and Health Standards are being met. Please indicate on the tender what equipment will be used for the work and expected date of completion for the crushing. **Sealed tenders clearly marked "Gravel Crushing Tender" will be received by the undersigned up to 4:30 p.m. on Tuesday, February 25th, 2020. Successful contractor will be responsible to confirm quantities crushed by submitting an aggregate quantity report with invoice. Please include all costs (taxes excluded) in the tender as no extra costs will be considered.** A penalty of \$500.00 per day **may** be charged after the gravel crushing completion dates indicated above. All municipal and provincial regulations are to be adhered to by the approved contractor. The municipality reserves the right to object to any or all tenders, to waive irregularities and informalities at their discretion and to accept the tender, which the municipality deems to be in their best interest. Lowest or any tender not necessarily accepted. All bidders will be notified of the successful bid and all tenders will be considered public information and be available for inspection, upon request.
