

Rapid City Recycling & Garbage Collection

Curbside Pickup

Due to unforeseen circumstances the new garbage and recycling bins will not be delivered until August 17th & 18th.

If you have any recycling to be picked up Monday, August 17th, please place the recycling in clear bags, curbside prior to 7:00am and MWM Environmental will manually collect the recycling.

Municipal Staff will manually collect garbage for the last time on Tuesday, August 18th, at which time they will be removing the old garbage bins from all properties.

Moving forward the new pickup day for garbage and recycling will be Monday's!

Please Note: Bulk recycling bins will remain located at the corner of 3rd Ave & 4th Street for overflow recycling and rural resident use.
