

Municipal Well Testing

Reminder: Municipal wells are not potable/fit for human consumption.

However, the Municipality tests all wells annually.

The following well tests have come back unacceptable and will be re-tested:

- Cardale Well (NW 32-14-21 W)
- Gravel Pit Well (NW 13-13-20 W)
- Riverdale Well (SE 23-14-19 W)

Please do not drink from any municipal wells!!
