

The Rural Municipality of Oakview
Request for Quote
Demolishing of Buildings; Removal of Fence/debris
and Levelling of Site

The Rural Municipality of Oakview is requesting quotes for the demolition and removal of the buildings, fence; debris; foundation, and any contents and levelling of the site. The building is located on Lot 2 Plan 7777 NLTO in Rapid City (#415 2nd Ave.). All demolition debris, excess junk; building contents, and any cement must be taken to the Oakview landfill site located on the SW 1/4 of 29-13-19W (3/4 of a mile north of Rapid City bridge) and placed in appropriate areas of the site (concrete; bricks; wood; metal; and household wastes should be separated as much as possible). An inground hoist located in the building may be salvageable by the successful bidder. The successful bidder is encouraged to recycle/sell any contents before demolition. Fuel tanks and soil surrounding the fuel tanks are not to be disturbed at this time. All concrete must be removed from the site and the water line and sewer line need to be adequately capped by the successful bidder. Clean fill, supplied by the contractor must be brought in to bring the site up to ground level and at least 2 inch covering of 1 inch down gravel (supplied by contractor) placed on the top. The demolition permit will be obtained by the R. M. of Oakview but any other permits required will be the responsibility of the successful bidder. Worker's Compensation number is to be included with tender as well as proof that Workplace Safety and Health Standards are being met. Please indicate on tender what equipment will be used for the project.

Work to be completed by December 15th, 2020.

Quotes, properly marked, will be received by the undersigned until 4:00 p.m. on **Monday, November 23rd, 2020**. Lowest or any quote not necessarily accepted. Please contact Brad at 204-868-5075 or the Oakview municipal office at 204-566-2146 for more information.
