The Rural Municipality of Oakview

Request for Tender

The R.M. of Oakview invites tenders for 2023 hauling contracts for the loading and hauling of gravel to be spread on municipal roads in the R. M. of Oakview.

Material is to be applied on the roads beginning immediately after road restrictions are lifted and completed by July 31st, 2023. In addition, there may be spot hauling that continues until October 31st, 2023.

A penalty of \$500.00 per day may be charged by set dates.

Individual project tenders will be accepted for the following projects.

Project 1

Load, haul and spread 13,000 cubic yards of gravel on specific roads in Ward 1 and Ward 2 in the R. M. of Oakview for 2023.

Project 2

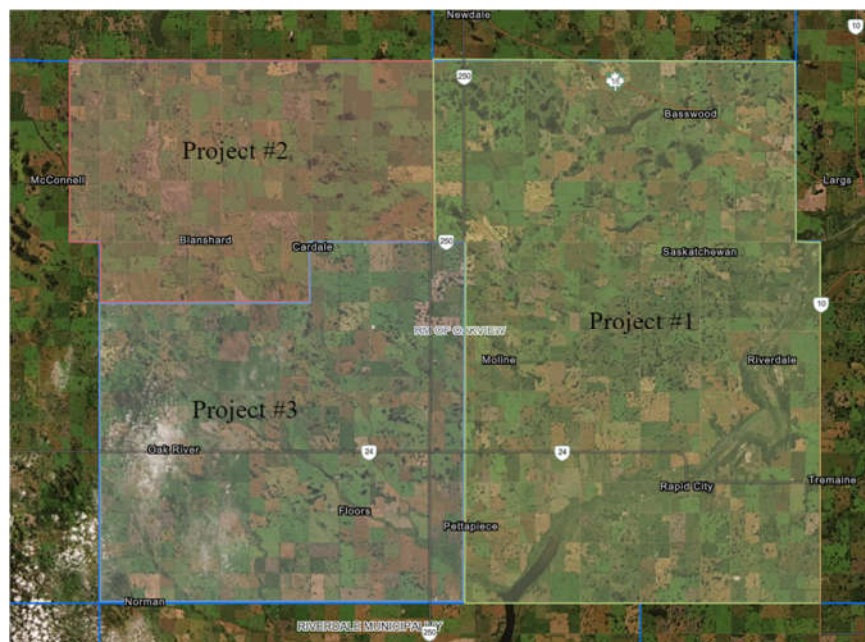

Load, haul and spread approximately 10,000 cubic yards of gravel on specific roads in the Northern part of Ward 3 in the R. M. of Oakview for 2023.

Project 3

Load, haul, and spread approximately 12,000 cubic yards of gravel on specific roads in the Southern part of the Ward 3 in the R. M. of Oakview for 2023.

Project 4

Load and haul approximately 8500 cubic yards to the Stockpile in Ward 3 in the R.M. of Oakview for 2023. Hauling is to be completed annually, in the winter months.

Scope and Schedule of Work

Scope of Work

Project 1) The scope of work includes loading, hauling and spreading 13,000 cubic yards of gravel on specific roads in Ward 1 and Ward 2 in the R. M. of Oakview for 2023.

Gravel will be loaded and hauled from the following pit locations;

- 1) Municipal Stockpile located on road allowance 114W north of Road 86N between SE $\frac{1}{4}$ of 13-15-20W and SW $\frac{1}{4}$ 18-15-19W
- 2) Manitoba Infrastructure Pit located at NW 13-13-20W

Project 2) The scope of work includes loading, hauling, and spreading approximately 10,000 cubic yards of gravel on specific roads in the Northern part of Ward 3 which comprises of roads North of Road 82 North from Road 125 W to Road 132W and roads in Townships 15 Range 21 and 22, in the R. M. of Oakview for 2023 as per the map provided above.

Gravel will be loaded and hauled from the following pit locations;

- 1) Municipal Stockpile located on road allowance 89N, west of PR #354 (127 W) in R.M. of Oakview (to be used first)
- 2) McIntyre Pit located on the NE $\frac{1}{4}$ of 30-17-21W (R.M. of Yellowhead)

Project 3) The scope of work includes loading, hauling, and spreading approximately 12,000 cubic yards of gravel on specific roads in the Southern part of Ward 3 which comprises of roads South of 82 North and East of Road 125W to Road 120W and roads in Townships 13 Range 21 and 22 and the balance of Township 14 in Range 21 and 22, in the R.M. of Oakview for 2023 as per the map provided above.

Gravel will be loaded and hauled from the following pit locations;

- 1) Providence Farms (Krahn) Pit located on SW 30-12-20 W (Riverdale Municipality)

Project 4) The scope of work includes loading, hauling, and stockpiling approximately 8,500 cubic yards of crushed gravel from the McIntyre pit to the stockpile located at the road allowance on the SE $\frac{1}{4}$ of 35-15-22 W in the R. M. of Oakview for 2023.

Gravel will be loaded and hauled from the following pit location;

- 1) McIntyre Pit located in the NE $\frac{1}{4}$ 30-17-21 WPM in the R. M. of Yellowhead

Schedule

The proposed schedule is as follows:

-Award Contract:	March 14 th , 2023
-Annual Completion Dates for Projects:	Project 1- July 31 st
	Project 2- July 31 st
	Project 3- July 31 st
	Project 4- December 15 th

If the Bidder is not able to complete the work within this time frame or is able to complete the work within a shorter time frame, the Bidder should specify in the tender, the start and end date of its proposed delivery schedule.

Pricing

Project 1) Prices are to be given for loading per cubic yard as well as per loaded mile, up to 20 miles, for hauling crushed gravel.

Project 2) Prices are to be given for loading per cubic yard as well as per loaded mile, up to 20 miles, for hauling crushed gravel.

Project 3) Prices are to be given for loading per cubic yard as well as per loaded mile, up to 20 miles, for hauling crushed gravel.

Project 4) Prices to be given for the loading, hauling and stockpiling of 8500 cubic yards, total cost.

TENDER CLOSING

Sealed tenders must be received by 12:00pm on Tuesday, March 14th, 2023 at one of the following addresses:

Rural Municipality of Oakview
10 Cochrane Street
PO Box 179
Oak River, MB, R0K 1T0

OR

Satellite Office
435 3rd Avenue
PO Box 130
Rapid City, MB, R0K 1W0

The time the tenders are received will be conclusively deemed to be the time shown on the clock used by the RM of Oakview for this purpose.

BIDDER INSTRUCTIONS & GENERAL TERMS OF TENDER

1.0 Submission of Tenders

Tenders in accordance with the Invitation to Tender, Bidder Instructions & General Terms of Tender must be received by the RM of Oakview by Closing at the location indicated in the Invitation to Tender. Tenders received after Closing will not be considered. The RM of Oakview may extend the time and/or date of Closing by addendum for any reason and, in that case, the extended date and/or time of Closing will become the new Closing Date.

Tenders must be delivered by hand or mail/courier in a sealed envelope clearly marked with the Tender title, Bidder's name and Bidder's address. Faxed, emailed or unsealed submissions will not be accepted.

2.0 Form of Tender

Bidders shall submit two (2) printed and signed copies of the bid, in the form attached as Schedule A and setting out in sufficient detail:

- (i) Company name and contact information; and
- (ii) Bid price and GST listed as separate line items

3.0 Signatures

All tenders shall contain the full legal name of the individual, company or partnership submitting the bid, the Bidder's address and other contact information and, in the case of a company, partnership or other corporate entity, shall be signed by an authorized signatory of the bidder capable of legally binding the Bidder.

4.0 Conditions

The Undersigned (referred to as the "Bidder" and the "Contractor"), have carefully read the Tender Documents and hereby agree to execute and complete the Work contemplated in strict accordance with the said Tender Documents as the prices shown in the Schedule of Prices.

It is understood that:

- (i) The estimated quantities shown in this Tender are approximate only and are used for the purpose of comparing bids;
- (ii) No claim shall be made by the Bidder on account of any loss of anticipated profits resulting from any excess or deficiency in the estimated quantities;
- (iii) Annual payment for work under this Contract will be made on the basis of quantities measured by the Contractor providing the municipality with detailed records of individual truck trips for hauling. Quantity at the unit prices or lump sum prices submitted, which shall be compensation in full for all the work done under the terms of the Contract;
- (iv) The prices quoted shall bear a proper relationship to the value of work done or materials supplied; and
- (v) A penalty of \$500.00 per day may be charged if gravel hauling is not completed prior to completion dates indicated above.

5.0 Rights and Reservations

The RM of Oakview:

- (i) Reserves the right to reject any or all bids;
- (ii) May not accept the lowest price or any bid and may, at its sole discretion, accept any bid that is deemed to be most beneficial to the RM of Oakview;
- (iii) Reserves the right to waive informalities, irregularities, technicalities and minor non-compliances;
- (iv) May cancel this tender at any time prior to or after closing;
- (v) Reserves the right to accept a bid in total or in part or to accept some or all options listed;
- (vi) Reserves the right, in the event that only one bid is received, to terminate this tender process;
- (vii) May reject any bid that is unsigned, improperly signed, conditional, illegible, contains arithmetical errors, erasures or irregularities of any kind;
- (viii) Reserves the right to change the Scope of Work and retender the Project or negotiate the Scope of Work, or a portion thereof, if the RM of Oakview does not receive a substantially compliant bid within the RM of Oakview's budget;
- (ix) Reserves the right to reject any bids submitted by a bidder who has previously defaulted on a tender or otherwise failed to complete a contract with the RM of Oakview;
- (x) Reserves the right to consider its legal position and risk associated with entering into a contract with a party that the RM of Oakview is in litigation with or has a history of unsatisfactory performance; and

(xi) In the event of a discrepancy between a unit price and an extension of price, the unit price will govern.

6.0 MANDATORY CRITERIA

Received by Closing Date ☐

Part 1 – Signed Tender Agreement Received ☐

Part 2 – Schedule of Prices and Delivery Schedule Received ☐

Part 3 – Proof of Workers Compensation Number Received ☐

7.0 Notice of Award

The RM of Oakview will provide notice of award in writing to the successful bidder.

8.0 Revisions, Withdrawal and Irrevocability

Amendments to tenders may be submitted in writing at any time before Closing.

No amendments or revisions received after Closing will be considered. Any amendment must be signed by an authorized signatory of the bidder and submitted in accordance with the requirements for the Submission of Tenders, as set out above. All tenders will remain open for acceptance for thirty (30) days after Closing.

9.0 Costs of Preparation and Limitation of Liability

All costs incurred by the bidder in the preparation and submission of their tender will be at their own expense. The RM of Oakview will not be liable to any bidder for any claims, whether for costs, expenses, losses or damages, or for loss of anticipated profits, incurred by the bidder in preparing and submitting their tender or participating in this tender process.

10.0 Default of Bidder

If the successful bidder:

(i) Fails or refuses to enter into the Contract for the Works then such failure or refusal will be deemed to be a refusal by the successful bidder to enter into the Contract and the RM of Oakview may, on written notice to the successful bidder, award the Contract to another party.

11.0 Workers Compensation

The Contractor shall comply with all provisions of the Worker's Compensation Act, with respect to all persons employed by the company and shall provide proof of coverage prior to commencement of the work.

12.0 Safety

The successful Bidder shall assume the responsibilities of the Prime Contractor for the Work as provided in Section 7 of The Workplace Safety and Health Act and shall sign a document with the RM of Oakview identifying the successful Bidder as the prime contractor.

13.0 Prices

The bid price will represent the entire cost before GST to the RM of Oakview gravel loading, hauling, applying or stockpiling based on the quantities in the Schedule of Prices. Projects 1, 2, 3 and

Notwithstanding the generality of the foregoing, bidders shall include in the bid price sufficient amounts to cover:

- (i) The costs of all labour, equipment and material included in or required for gravel crushing and stockpiling, including all items which, while not specifically listed in the Schedule of Prices, are included in the Work;
- (ii) All overhead costs, including head office and on-site overhead costs, and all amounts for the profit of the supplier. The bid price shall cover all taxes and assessments of any kind payable with respect to gravel hauling but shall not include GST. GST shall be listed as separate items.

14.0 Supply Contract

The Contract for gravel hauling, to be entered into between the RM of Oakview and the successful bidder, is referred to in this section as the "Contract" and the successful bidder is referred to herein as the "Contractor".

The RM of Oakview and the Contractor will enter into a written contract for gravel hauling. The Contract will consist of a tender agreement, signed by both parties, which will include these tender documents and the required specifications contained herein.
