# **The Rural Municipality of Oakview**

## **Request for Proposals**

The R. M. of Oakview invites proposals for the replacement of the beach washroom and shower facility.

**Companies submitting a proposal must be experienced and qualified in site preparation, building, demolition, and environmental controls.**

*A penalty of \$1,000.00 per day may be charged if projects are not completed by set date.*

### **Scope and Schedule of Work**

#### **Scope of Work**

Current facility is located at 520 Sample Avenue, Rapid City, MB.

The RM of Oakview is replacing the current beach washroom facility. The new facility will be located in the same general area, connecting to existing water supply and septic tank. However, the municipality would like the building to be raised to an elevation that will reduce the risk of flooding, as determined at a site meeting. Levelling of the area surrounding the facility is required once construction is complete.

The municipality would like to ensure the washrooms are operational during the busy months of the summer therefore construction must commence until after September 5<sup>th</sup>, 2023. Construction of the building must be fully complete prior to March 31<sup>st</sup>, 2024, with site levelling and final lot grade completion prior to May 31<sup>st</sup>, 2024.

Salvaging of particular building materials, such as but not limited to, panelling, push button valves and hot water tank, may be required prior to demolition of the current facility, and can be finalized between the contractor and municipal representatives. For the purpose of consistent pricing all submittals should be based on full material package for the new facility. If wall panels, push button valves and hot water tank can be salvaged the price can be adjusted as agreed upon by both parties.

Disposal and removal of the existing facility, disposing of debris off site through a waste collection company following environmental rules and regulations. Demolition material is **not** to be used as fill.

No further testing or environmental abatement has been undertaken at this site. The contractor will be required to remove hazardous materials, if any, and dispose of them in an environmentally acceptable manner. The contractor shall provide evidence of the means of disposal prior to proceeding with demolition.

Site clean up from demolition and new construction site preparations must be completed prior to fully constructing the new washroom and shower facility as per the specs and provided drawings.

Information is summarized below for construction of the new facility;

Proposals in accordance with the Request for Proposal, Bidding Instructions & General Terms of Proposal must be received by the RM of Oakview by Closing at the location indicated in the Request for Proposal. Proposals received after Closing will not be considered. The RM of Oakview may extend the time and/or date of Closing by addendum for any reason and, in that case, the extended date and/or time of Closing will become the new Closing Date.

Proposals must be delivered by hand or mail/courier in a sealed envelope clearly marked with the Proposal title, Bidder's name and Bidder's address. Faxed, emailed or unsealed submissions will not be accepted.

#### **2.0 Form of Proposal**

Bidders shall submit two signed copies of the bid, in the form attached as Schedule A and setting out in sufficient detail:

- (i) Company name and contact information; and
- (ii) Bid price and GST listed as separate line items.

### **3.0 Signatures**

All proposals shall contain the full legal name of the individual, company or partnership submitting the bid, the Bidder's address and other contact information and, in the case of a company, partnership or other corporate entity, shall be signed by an authorized signatory of the bidder capable of legally binding the Bidder.

### **4.0 Conditions**

The Undersigned (referred to as the "Bidder" and the "Contractor"), have carefully read the Proposal Documents and hereby agree to execute and complete the Work contemplated in strict accordance with the said Proposal Documents as the prices shown in the Schedule of Prices.

It is understood that:

- (i) The prices quoted shall bear a proper relationship to the value of work done or materials supplied; and
- (ii) A penalty of \$1,000.00 per day may be charged if full scope of work is not completed prior to completion dates indicated above.

### **5.0 Rights and Reservations**

The RM of Oakview:

- (i) Reserves the right to reject any or all bids;
- (ii) May not accept the lowest price or any bid and may, at its sole discretion, accept any bid that is deemed to be most beneficial to the RM of Oakview;
- (iii) Reserves the right to waive informalities, irregularities, technicalities and minor non-compliances;
- (iv) May cancel this proposal at any time prior to or after closing;
- (v) Reserves the right to accept a bid in total or in part or to accept some or all options listed;
- (vi) Reserves the right, in the event that only one bid is received, to terminate this proposal process;
- (vii) May reject any bid that is unsigned, improperly signed, conditional, illegible, contains arithmetical errors, erasures or irregularities of any kind;
- (viii) Reserves the right to cancel the project, change the Scope of Work or negotiate the Scope of Work, or a portion thereof, if the RM of Oakview does not receive a substantially compliant bid within the RM of Oakview's budget;
- (ix) Reserves the right to reject any bids submitted by a bidder who has previously defaulted on a proposal or otherwise failed to complete a contract with the RM of Oakview;
- (x) Reserves the right to consider its legal position and risk associated with entering into a contract with a party that the RM of Oakview is in litigation with or has a history of unsatisfactory performance; and

**MANDATORY CRITERIA**

Received by Closing Date ☐

Part 1 – Signed Proposal Agreement Received ☐

Part 2 – Schedule of Prices ☐

Part 3 – Proof of Workers Compensation Number Received ☐

**6.0 Notice of Award**

The RM of Oakview will provide notice of award in writing to the successful bidder.

**7.0 Revisions, Withdrawal and Irrevocability**

Amendments to proposals may be submitted in writing at any time before Closing. No amendments or revisions received after Closing will be considered. Any amendment must be signed by an authorized signatory of the bidder and submitted in accordance with the requirements for the Submission of Proposals, as set out above. All proposals will remain open for the Municipalities acceptance for thirty (30) days after Closing.

**8.0 Costs of Preparation and Limitation of Liability**

All costs incurred by the bidder in the preparation and submission of their proposal will be at their own expense. The RM of Oakview will not be liable to any bidder for any claims, whether for costs, expenses, losses or damages, or for loss of anticipated profits, incurred by the bidder in preparing and submitting their proposal or participating in this proposal process.
